

GREEN LIGHT SOUTH CAROLINA

lowering South Carolinas energy usage
one light bulb at a time

Free CFL Light Bulb Program for all who apply.

Green Light South Carolina is a non-profit charitable and environmental organization. We are actively working to reduce the burden of rising energy cost and carbon emissions in the upstate of South Carolina. We do this through a **FREE** program where we switch incandescent light bulbs to energy efficient compact fluorescent lights (CFLs) one house at a time.

Interested in participating in the free CFL light bulb program? Fill out the form below and we will contact you. After we have all your information, we will come to your home and exchange your light bulbs. Your cost: **None**, Your benefit: **Savings on your energy bill (approx. \$46. Per bulb)**, Your environment: **Huge benefit in the fight against global climate change.** Who can apply: **Home owners and renters**

You can contact us by email: green@greenlightsouthcarolina.org , Phone: 864-332-4730, or mail: P.O. Box 152, Townville, SC 29689.
